

MAULDEN PARISH COUNCIL
NON CONFIDENTIAL
COMMITTEE: Maulden Parish Council
DATE: 27/08/2025
REPORT BY: Sean Rudkin
SUBJECT: Defibrillator report for August 2025

I conducted a check on the Maulden parish council defibrillators at the Village Hall, Budgens, Hilsons and "Pinky's" on 27th August 2025.

In all cases, the equipment was found to be complete and in working order, with integrated cabinet lights working. Comprehensive prep kit was available in all cabinets.

At "Pinky's" the hanging basket that had been obscuring the cabinet in July had been removed.

On 15th August, the clerk was informed that the defib at the village hall may have been accessed and had therefore been recorded by the East Anglia Ambulance service as unavailable. This was checked on 19th August and reported back to the clerk as ok.
