

MAULDEN PARISH COUNCIL

NON CONFIDENTIAL

COMMITTEE: Maulden Parish Council

DATE: 04/11/25

REPORT BY: Cllr Sean Rudkin

SUBJECT: Street light report November 2025

STREETLIGHTS – Parish street lights checked on 3rd and 4th November 2025

M5 Ampthill Road was identified as not working and reported to our contractor for attention.

M14 Clophill Road had been reported to the clerk by a resident and in turn to our contractor.

I had been informed that the streetlight outside 46 Clophill Road was not working, but this is a relatively new streetlight (Z01), associated with the new estates in the vicinity, and essentially replaced M7 Clophill Road. I have reported it via fixmystreet.
