

MAULDEN PARISH COUNCIL

NON CONFIDENTIAL

COMMITTEE: Maulden Parish Council

DATE: 12/12/25

REPORT BY: Cllr Sean Rudkin

SUBJECT: Street light report December 2025

STREETLIGHTS – Parish street lights checked on 9th and 10th December 2025

No parish council street lights were identified as not working.

The clerk was advised on 5th December by CBC that they had “had a report of the column M1? near 5 Sandyacres Maulden not working”. Which they believed may be a Parish column. This was referred to our contractor for investigation on 8th December, however MPC records appear to show responsibility for only one street light in Sandyacres, M7(?) Pathway to Ampthill Road.
