

Regular meetings involving Peter, Russ, Pat and Tracey continue. Latest 9th February 2026.

Next meeting is the site visit on 27th February, followed by a meeting on 23rd March 10.00 at 15 Ampthill Rd.

Pavilion

Fundraising - Russ to speak with Chris Pavey at the Parish Meeting.

Tracey still intending to get a pavilion plan available to discuss with people. Russ to present at the Annual Parish Meeting – to include all options.

Quote – Julian Kingshall Estates is interested in quoting. Tracey to facilitate.

Structural survey – Tracey is speaking with Jamie and Julian. Makes sense to use one they work with.

Discussion about the viability at a cost of >£100k. No decisions, just options and an open mind from all. Tracey will involve two people who've expressed interest in the 'cafe' aspect – a) Abbey Lane man – Wakey Joes and b) Adam Holbrook – Maulden Born and Bread. Care, may need to keep each involvement confidential ftb. Idea is to get more of an idea of usage.

Other thoughts –

- Consider just removing the Pavilion but need to be mindful of any village attachment. Need to consult.
- Moving the 'changing rooms' to the village hall. Money could then form part of the VH refurb/expansion. Has some merit as that's where the players arrive as parking available. Out of the car, get changed and off to the Rec.

Reserves policy – Given comments about viability, hold off producing this ftb.

Play Equipment

Tracey to chase Fawns and Reids for sites so that visits can take place.

Some discussion of a climbing wall as these may be available

Trilley Fields – Whilst the focus has been on the Rec, Trilley Fields needs to be considered.
