

MAULDEN PARISH COUNCIL
NON CONFIDENTIAL
COMMITTEE: Maulden Parish Council
DATE: 19/06/2026
REPORT BY: Sean Rudkin
SUBJECT: Defibrillator report for June 2026

I conducted a check on the parish council owned defibrillators at the Village Hall, Budgens, Hilsons and Cinnamon Bakery (formerly "Pinky's") on 18th June 2026. In all cases, the equipment is complete and in working order. Initially the defib at Cinnamon Bakery reported that the 9v battery required replacement. The battery swap was performed later the same day and the unit then tested ok. Curiously, in my time dealing with the defibrillators, I have swapped the 9v batteries in 2 units twice, but not at all in the other two. (I will take a battery tester with me on next visits).

Since May's report and prior to the checks above, new replacement pads were provided at the Village Hall.
