

MAULDEN PARISH COUNCIL

NON-CONFIDENTIAL

DATE: 21/07/2026 REPORTED BY: Cllr Penniston

SUBJECT: Village Hall Report for MPC meeting 27 July 2026

The last meeting of the Village Hall Committee was held on 8 July 2026.

There were approximately 50 responses to the recent village hall survey. The responses and other hall improvements are being considered.

Village hall prices have not changed since 2019. A search of facilities and prices provided by other village halls in the area was carried out and a recommendation was made to increase prices by 19% with bar hire increase, the bar fee going directly to the licensees. No agreement has yet been reached.

Several documents need to be updated, e.g. GDPR, CCTV etc, so this is ongoing.

The hall will be closed for the first two weeks in August to undertake a deep clean.
